

Global Greens Climate Survey

July 2009

Dear Global Greens

This survey is intended to collect information about

- a) who is coming to Copenhagen
- b) the negotiating positions of governments around the world (to the extent that information is available)
- c) the climate policies of Green parties and political movements.

Just fill in as much as you can and send it back to

Email: margaret.blakers@bigpond.com

Fax: +61 3 8888 4905

We will be getting translations in the next few weeks but if you can manage English we would be very grateful.
